

BONS BAISERS *Picci*

COURANT SAUVAGE

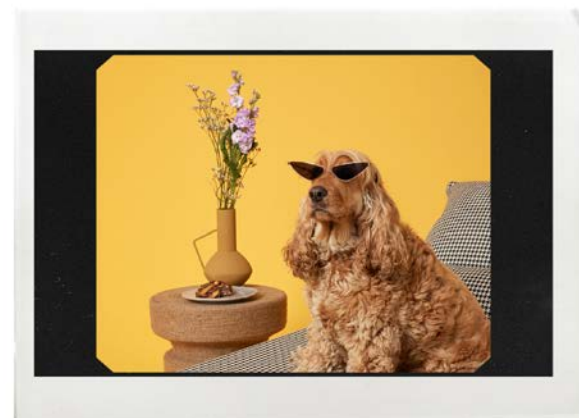

COLLECTION 2024

•• INDELIBLE MEMORIES

Indelible memories of sun-kissed summers in the family house atop the summit of Ramatuelle surrounded by loved ones. Moments shared in the garden of this large dwelling lined with countless warmhearted patterns. Striped tablecloths over the immense oak table covered with pastries and fresh fruits at each and every of our breakfasts. Late evenings playing cards. Deckchairs by the pool, so deliciously kitsch and comfortable that even grandma's pooch would make its home there.

Beautiful days by the sea, blue skies above our heads, sipping ice-cold mint cordials and parasols under our arms. Love stories we would recount endlessly, wrapped in the houndstooth blanket that would keep us warm after dusk, under the stars. Pretty postcards sent to friends filled with the words "Bon baisers d'ici...".

PRECIOUS MOMENTS • THOSE THAT PASSED AND THOSE
YET TO COME. LIVING OUTDOORS. LIVING HAPPY.
